

Changes to Service 93 from 1st September 2020

Due to the closure of the A52 Barrowby Road under Barrowby Railway Bridge in Grantham for three months from September to December 2020, we have been forced to make some significant changes in order to maintain service on the 93. This involves a significant diversion from the end of the Barrowby Gate estate via Dysart Road. As a result; we will be operating a revised timetable on all days.

Vectare would like to apologise for any inconvenience caused during this disruption. However, we have tried to maintain the highest provision of service possible. A summary of the changes is laid out below. Revised timetables, fare charts and a route map are available online at www.vectare.co.uk/localbus. In addition; we hope to have printed timetables copies available as soon as possible.

-
- Increased journey times between Grantham & Barrowby Gate on all days to account for the diversion route required.
 - Revised route towards Grantham with buses passing through Whatton Village.
 - Revised Mon-Fri timetable:
 - First journey of the day retimed to arrive in Grantham at 07:44 to allow better connections for workers.
 - Off-peak journeys reduced from 6 to 5 with some journeys shortened to run between Barrowby Gate & Grantham Centre only.
 - Small number of off-peak journeys to/from Bingham retained to allow shopping trips in either direction, including for Bingham Market on Thursdays.
 - Additional PM peak return journeys introduced from Bingham at 17:05 and Grantham at 17:45.
 - Enhanced Saturday timetable with more round trips per day between Barrowby Gate & Grantham. First bus arrives into Grantham at 08:44 with the last departure at 17:15.
 - Revised Fares to encourage people 'Back to Bus'. As a trial until December 2020, we are introducing cheaper fares on Service 93 to encourage bus usage and compensate for the major disruption caused by the Barrowby Bridge road closure. These includes:
 - Reduced Single & Return Fares
 - Reduced Grantham TwoTogether Fare (£5 down to £4)
 - Introduction of Family Tickets (£10 full network, £6 Grantham)

(These revised fares will be reviewed when the Service returns to normal, hopefully in December 2020).
